NOTES AND PRECIS.

D.No. 7403 S.N.1

(4)

The recent noting in file 911/34 regarding the recruitment of Police Inspectors and Sub-Inspectors of the C. & M. Station of Bangalore from Madras may kindly be seen.

Mr. Sullivan was against the scheme for linking up with Madras, his objections being the following:-

(1) The risk of getting unsuitable men from Madras.

(2) The difficulty of exercising disciplinary control over the subordinates lent by Madras.

The latter objection has since been rendered stronger in view of the new rules regarding punishment of borrowed officers: the borrowing authority has no power to remove or dismiss a lent officer; and it has to consult the lending authority before imposing any lesser punishment except suspension in which case a report should forthwith be sent to the lending authority.

(N)

It is not known whether the Commissioner of Police has considered this aspect of the question when recommending to obtain the loan of an Officer from Madras.

A draft to the Govt. of Madras is submitted. Before it issues, the Commr. of Police may perhaps see the file U.O.

6.

Commissioner of Police spoke to me about this personally. The present proposal is only for the loan of a single officer; and the objections on grounds of disciplinary control which may have existed in connection with the proposal to borrow all our officers from Madras need not be considered in the present case. There is no need, therefore, to consult Commissioner of Police again; and the drafts may issue if Resident approves.

Under rule 2 of chapter IV of Book III of the Bangalore Police Orders, Inspectors and Sub-Inspectors have to provide themselves with the prescribed uniform.

@ put up page 136

The Commissioner of Police says that in Madras an allowance of Rs.150/- is granted to an Inspector for the purchase of uniform.

Under Article 34 of the Civil Account Code, the powers of the local Government in respect both of contingencies and other expenditure are restricted by the orders contained in the Book of Financial Powers. Under rule 64 of the latter, a minor local Government can sanction recurring and non-recurring expenditure ~~not exceeding Rs.200/- a year~~ up to certain limits on any object provided it does not involve an express contravention of an existing rule or order of the Governor General in Council. As the Bangalore Police Orders derive their authority from the Resident the question of contravention of rule does not ~~occurs~~ arise. ~~As the expenditure proposed to be incurred is below Rs.200/- it is within Resident's powers of sanction and may therefore be approved.~~ The sanction asked for may therefore be granted.

A draft sanctioning the expenditure is submitted for approval.. Before it issues, the Financial Adviser may, if approved, see the file U.O. for remarks, if any.

Bangalore.

SIR,

I have the honour to request that the Hon'ble the Resident may be pleased to address the Madras Government for the loan of a reliable Police Officer to officiate as Inspector of Police C & M. Station for a period of two years.

Last year there were several dismissals and removals of Sub-Inspectors and Inspectors from the C.& M. Station force. My predecessor also ordered the dismissal of others but as he felt he would not be able to carry on with such a depleted force,he deferred the dismissal orders for one year.

I have now dismissed one Sub-Inspector from the Railway Police and the cases of another Sub-Inspector and the Acting Inspector are under enquiry on charges similar to that on which the one Sub-Inspector has been dismissed. The Acting Inspector has,in any case,shown himself unfit to act as Inspector and will have to revert,and it is in his place that I require the services of an outside officer.

No extra expense will be involved in the proposed borrowing of the services of an Acting Inspector.

I request that the matter may kindly be treated as urgent as there is no local Sub-Inspector whom I would like to place in charge of the Railway Division which is badly in need of a strong,reliable and honest officer.

LOAN OF AN OFFICER FROM MADRAS TO OFFICIATE AS INSPECTOR OF POLICE, C. & M. STATION, BANGALORE.

Sir,

I have the honour to enquire whether the Government of Madras could be so good as to lend the services of a reliable Police officer to officiate as Inspector of Police in the Civil and Military Station of Bangalore for a period of two years. The question is one of some urgency, as the Railway Division requires an Inspector, and there is at present no Sub-Inspector in the Bangalore Police Force who is fit to fill the vacancy.

The scale of pay of the post is Rs.200-10-300-5-325 for officers on the old scale of pay, and Rs.175-15/2-250-10/2-300 for "new entrants"; and there is a convevance allowance of Rs.5/-.

SIR,

I have the honour to refer to correspondence ending with your No. F. 1025-35/R.O. II dated 9th November 1935 and to state that Officiating Inspector R. Srinivasa Iyengar therein referred to reported to duty on 21-11-1935 and has been posted as Inspector D. Division accordingly from that date.

During the period from 20-9-1935 to 20-11-35 Inspector Roberts of C. Division was in full charge of D. Division in addition to his own duties, as a temporary measure. He is entitled to additional pay in accordance with F. R. 49(b) and Audit instruction thereunder which requires that such pay as may be considered reasonable not exceeding half the pay of the additional post, in the circumstances may be given.

Page 17 of F Rules (not part of)

In Madras, one-fifth of the actual pay of the Officer who is in full charge of an additional post is usually paid to him. I consider that a similar rate can reasonably be fixed in this case. The pay of Inspector Roberts is Rs. 325/- and I recommend that his remuneration for the additional charge may accordingly be sanctioned at Rs. 65/- per mensem. This is less than half the pay of the extra post held by him.

I have the honour to be,
Sir,
Your most obedient servant,

COMMISSIONER OF POLICE.

SIR,

I have the honour to refer to correspondence ending with your Memorandum No.F.1025-35/R.O.II dated 9th November 1935 regarding the appointment of Mr. R. Srinivasiengar as Inspector of Police Railway Division and to state that this Inspector coming as he did from the Madras Mofussal has had to purchase a uniform of his new rank in Bangalore and has incurred an expenditure of Rs.100/- in this connection. He has requested that this amount may kindly be granted to him on the ground that he would be eligible for the same in Madras. I recommend his request for favour of sanction as the amount is less than is usually granted in Madras on account of provision of uniform. Under Madras Police Order No.16 a sum of Rs.150/- is granted to an Inspector of the Madras City whether recruited direct or transferred from the Moffusal. As the Bangalore uniform of an Inspector is quite distinct from that in the Madras Moffusal and as his services were obtained here in the interests of the public service, I consider it reasonable to grant a sum of Rs.100/- actually spent by him. The expenditure, if sanctioned, can be met from "Account" 1 - Police - B 3 - Other charges - Petty Supplies." in the current year's budget.

I have the honour to be Sir,
